POLICY

1. School profile

Swan Reach Primary School was established in 1875. It is a rural school with just over 100 students, located 22 km East of Bairnsdale on the Banks of the Tambo River. Enrolment has remained steady over the past 5 years with an expectation of similar numbers in the next two to five years.

As a rural school, Swan Reach Primary serves a wide geographical area. Most students travel to school by car or utilise the school bus service that operates morning and afternoon. A small number of students who live in the immediate area, walk or ride to school. Swan Reach Primary School has developed close ties to the local community and enjoy support from our local businesses and community services. Our biennial Twilight Country Fair and other events such as the Cultural Diversity Festival are well supported and attended by the local community. Other projects such as the school garden development have been actively supported by local businesses.

The school community is becoming increasingly culturally diverse with around 10% identifying as aboriginal or Torres Strait Islander and families with cultural ties to New Zealand, The Philippines, Pakistan, and the Netherlands. We celebrate this diversity and encourage our whole community to embrace difference and learn from one another with open minds.

The School grounds are quite large and split into two levels with well-maintained trees and garden areas. The upper level includes a partially covered basketball court, sandpit and climbing fort and a rainforest path leading to the colourful Mediterranean courtyard and sensory garden. The lower level was expanded onto reclaimed wetland adjacent to the Highway, and includes a large sporting oval, two playgrounds and a rebound wall.

Staff at Swan Reach Primary endeavour to provide positive, supportive and challenging learning environments and encourage each student to strive for personal best. The school has a dedicated library, kitchen and Art/Drama/music room in addition to five classrooms. We currently have 18 school staff members including administration, teachers, education support and specialist teachers. Our specialist programs for Prep to Grade 6 include Japanese Language, Art, Music, and drama. The Stephanie Alexander Cooking program is introduced for Grades 4 to 6. The students develop life skills in gardening and food cultivation as well as food preparation and cooking, with meals based around seasonal produce.

2. School values, philosophy and vision

Respect and Empathy for all is the Swan Reach School Motto. The words hang proudly on the walls of our Front Office for everyone to see. It is also embedded in the culture of our school and forms the foundation on which all else is built. Respect, empathy and resilience are integrated into the curriculum and school wide expectations. They are reinforced from the top down through communication, teaching and learning practice, peer interactions, and behavioural management. It is evident in the strong sense of belonging and mutual respect that our students display and the positive feedback from both outside our school community and within.

The philosophy of the school is to value each child's individuality and encourage resilience to persist when things get hard. We aim to provide a quality education, tailored to meet the unique needs of each student, supporting them as they grow in skill and confidence to become the best version of themselves. We believe this best occurs in an open and friendly atmosphere where children are encouraged to be enthusiastic and responsible learners with the flexibility to cope with our changing

society. Promotion of self-esteem and cooperation underpins all that we do, and care and respect for others is practised and valued by School Council, staff and students alike.

3. Wellbeing and engagement strategies

Swan Reach Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn. The school uses the Schoolwide Positive Behaviour Support Framework to plan and implement practices across the whole school to improve educational and behaviour outcomes for all students. Swan Reach Primary School follows the SHARE Principles of Inclusive Education: Student centred; Human Rights focused; Acknowledges Strengths; Respects legal obligations; Evidence based. This recognises the rights of each student to access and participate in quality education that celebrates and welcomes difference and responds to the individual needs of students, welcoming them as contributing partners in their own education
